## Flexible Stone LumiSlate

Nature at your fingertips  
Translucent ultra-thin flexible stone, 100% natural stone,  
peeling technology, the stone is peeled off layer  
by layer, each layer  
is the result of thousands of years of  
precipitation, a gift from nature.  
In order to make the translucent stone show a  
better effect  
we have developed a perfect combination of  
LED light panels and stone,  
which makes installation more convenient and  
safer.
